

Weapon Accessories

MAGPUL Magpul

\$9.95

Available for 5.56mm, 7.62mm or 9mm/45acp magazines these rubber pulls aid in accessing magazines from pouches. Available in black, OD green, gray and range safety orange. Price is for 3.

A low profile version exists for M16 magazines that replaces the magazine floorplate and provides a rigid loop. Available in black, OD green and coyote brown. \$21.95 for 3.

WILDERNESS Giles Tactical Sling

\$25-50

The Giles Tactical Sling™ (pronounced Jiles) set a new standard for tactical slings when introduced to the public in 1989. It ushered in the era of the modern tactical sling, allowing fast presentation of the long gun, immediate transition to the sidearm and secure retention from snatch attempts. It also converts immediately to a standard carry sling when appropriate.

OTIS Tactical Cleaning Kit

\$40

This 4"x2" ballistic pouch contains everything needed to clean pistols from .22 to .45, rifles from .22 to .50 and shotguns from .410 to 10 guage.

PELICAN 1750 Rifle Case

\$150

When travelling you have to make sure your weapons will arrive in working condition and there is no better choice then the Pelican weapon cases. Rugged and secure, the cases meet TSA standards for airline transport. Available in a variety of sizes and colors. 1500 Pistol Case \$90

GEM-TECH Tactical Lanyard

\$23

Designed primarily for law enforcement and mission specific military needs, the Tactical Retention Lanyard is a coil-cord lanyard invaluable for prevention of loss of the sidearm during high activity or marine operations. It is usable with any sidearm having a lanyard loop. The lanyard is specially engineered to have a breaking strength of 100 pounds to prevent serious user injury. In addition to sidearms, the Tactical Retention Lanyard is useful for prevention of loss of other small, valuable accessories.
